STANDARD OPERATING PROCEDURES

Guidelines & Job Description – What I need to do after I get some experience?

These procedures were designed to give the person responsible in this area some indication to what needs to be achieved after a lengthy exposure and work experience. The person(s) selected for this particular position will be allowed time to adjust and train him/herself while working with the producer. Not in-depth experience or qualification is required at this stage. Please come along and share your experience with the rest of us. Thank you.

Transportation Captain

This person is generally responsible for marinating production vehicles, even the ones that the actors drive in the film. Drivers: These drivers should transport the crew during pre production and production.

These Standard Operating Procedures [SOP] were designed only to be a guide and help to you.
